## **NOMINATION FOR APPOINTMENT AS A JUDGE**

All nominations of judges, who are licensed at the discretion of the committee, must be made on this form. The form must be signed by five members of the British Goat Society acting as proposers and countersigned by the nominee, who must also be a member of the Society.

This form (pages 1, 2 and 3) duly completed, must be returned to the Secretary at the address above.

Each nominee is required to write a letter to the committee in support of the application, covering such items as availability to accept appointments and any factors which he/she feels are relevant or not immediately obvious from the form. This letter is to be sent with the completed form.

A list of the criteria, which the committee uses when discussing an application, is issued with this form for guidance purposes.

Subject to a judge remaining a member of the Society, a license shall remain in force for three years after the year of issue. At the end of this period, and, any subsequent three-year period, the member may be re-elected as a judge or the committee may decide to let the license lapse. The committee reserves the right to accept or refuse any candidate and cancel a license at any time without giving a reason.
