### **JUDGES COMMENTS:**

It was a pleasure to be judging after almost two years. There were few males out for inspection, however, I was impressed with the quality of the best and reserve males and had a difficult job deciding my preferred male. Best male kid was a well grown AOV kid.

**JUDGES COMMENTS:**

A very safe and well-run show in the current circumstances. Best and Reserve milkers, from the same stable. Two very smart milkers with Best in Show winning with the milk yield. All goats were turned out in remarkable condition. Best and Reserve goatlings were well-grown goatlings, something to look forward to seeing in the future. Best and Reserve kids, again from the same stable, really caught my eye on the day.
