### JUDGES COMMENTS:

Very small entry which is not surprising given the pandemic. Newcairn Apollo is a very smart Anglo Nubian with great length and good head. Reserve, Linnavon Linnaeus.

**JUDGES COMMENTS:**

I was delighted to be asked to judge again following the devastating effects of the Covid pandemic. A good entry of females with a high standard throughout. Guilden Honeybee was a very worthy best in show. She is a large upstanding AOV with a well attached, shapely udder and milking well. Reserve went to her stable mate, Guilden Eva, a British Saanen first kidder running through. Best goatling, Guilden Havanna, closely followed by Guilden Galalady.

I was very taken by an outstanding British Alpine kid, Carrick Alanis. She is a perfect example of her breed with excellent black and white.

Congratulations to all the Exhibitors for entering and turning up at such short notice and to Anne Dick for organising the shows.
