### **JUDGES COMMENTS:**

A very well-run show, with excellent facilities, which deserved more support, especially as the show was held over 2 days for the first time in 222 years - a very brave decision. There was a very good standard of animals throughout the classes. BIS a quality AOV 1st kidder, milking very well, followed in the IP by 4 more promising first-kidders; BS, BT, AOV & BT, all milking well, particularly considering it is a late show. Fewer youngstock, with a smart, upstanding BT taking best goatling, a very attractive AN kid. It was very good to be out and about at last! Super stewarding all round, which always helps things run smoothly - very many thanks to all concerned with the organisation. Well done!
