JUDGES COMMENTS:

Decent goats all the way through. Milkers, all good size with deep bodies and reasonable udders. Top first kidder RT very well, whilst reserve was a subsequent kidder also RT well. Would have liked stronger pasterns on them all though. Smart white goatlings at top, well built, big and strong. Kids coming on well, extremely nice BT led the way with a super AN reserve. Very poor entry possibly not helped by high entry fee.
