**JUDGES COMMENTS:**

Shame there was such a small entry. Some nice males but a bit early in the year for them to be in peak coat condition. Some extra attention to cleaning detail was needed but not detrimental to my placings.

**JUDGES COMMENTS:**

BIS was a lovely dairy animal with nice udder and a good drop of milk, easily taking the top spot. My reserve was a very large 3 year old 1st kidder who milked well and needs some more time to mature into her milking legs. Some lovely well grown young stock presented to me and taking the top honors.
