JUDGES COMMENTS:

The Ashdene herd took top awards with a great team of goats. Best in show the beautifully proportioned Ashdene Minskip personifies what a dairy goat should be. All the attributes we are looking for are there - excellent conformation, good well attached udder with perfectly placed and sized teats and milking well. A pity there were not more entries but exhibits were well turned out and special mention must be made of the highest am yield of 3.85kg from the British Guernsey Edgewood Treat.
