JUDGES COMMENTS:

The very long drive to Norwich was made very worthwhile by a good entry of top-quality goats. The Ashdene herd were to the fore at this show taking the top five places in the IP line up and the best goatling and kid awards. Ashdene Minskip exudes quality and style. She has a beautiful, well-attached udder and is in the peak of condition. The more recently kidded Ashdene Calypso is long, elegant and rangy - just how I like to see a British Toggenburg. Ashdene Meadowquail was an easy choice for best goatling. Hetherton Selencha is a very elegant and rangy goat with a super coat. Ashdene Allspice has the length and style I like to see in an Anglo-Nubian. Hetherton Koredanel is another rangy and elegant goat from the same stable as the reserve best goatling. Sugarmill Toggenburgs shown in excellent condition.
