BEST MALE KID n/f

JUDGES COMMENTS:

Wedgewood Aston is a superb example of a British Alpine male. Presented in excellent condition, he has length, ranginess and size, with plenty of bone for his age. Guilden Talent, while another attractive male goat, does not quite possess the scope of Aston.

BEST FEMALE KID Ballingall Roxy, **Res** Capitol Juliet

JUDGES COMMENTS:

Capitol Freja was an easy winner on the day. She has style, elegance, size and a very shapely and well attached udder. Presented in excellent condition and milking well, she is a credit to her breeder. From the same family, Capitol Euphemia was my choice as reserve best in show. Another very well-presented exhibit who also pleased my eye, but just not quite the size and presence of Freja. The youngstock were headed by Rockisland Wisp - an Anglo-Nubian of excellent breed type with a superb body and spring of rib. Ballingall Roxy stood out in the kids - length, quality and style. Congratulations to the McCreath sisters who worked exceptionally hard all day showing and milking theirs and their mother's goats. They were hardly out of the ring! Keep up the good work girls!
