JUDGES COMMENTS:

Some wonderful views from this small show held in the shadow of the Emley Moor TV transmitter. My best in show, Treflor Roxanne, is a Saanen of excellent breed type, wonderful capacity and a good yield of milk. Ardross Honey is a neat and well-presented goat, milking well with neat teats and a well attached udder. In the youngstock classes the Saanen, Treflor Ria caught my eye - a similar type animal to her stablemate, Roxanne. Ardross Kallisto is a large, rangy and capacious British Saanen goatling was a very worthy reserve. In the kid classes, Marshvalley Evolet was my choice for best kid. In super condition, she is of excellent breed type and well grown. Reserve to Evolet was Treflor Roisin, a Saanen with excellent spring of rib, capacity and a strong back end.
