## JUDGES COMMENTS:

It was an absolute pleasure to judge this show for the 5th time since 1984 especially as I had decided to make it my last appointment before retiring from judging. Not a large entry, as appears to be the norm nowadays and the tremendous heat of the previous few days drastically reduced the milk yields. I was very pleased with the top two milkers, both large rangy goats with reasonable yields although Kerborne Daisymay is still waiting for her summer coat. Most of the youngstock looked to be promising especially those from the Klimova herd.
