JUDGES COMMENTS:

A very well-run and enjoyable show that deserves more support. BIS a quality BS 2nd kidder, milking well, with a very typey BA reserve; the recent very hot weather had certainly taken its toll on milk yields in some classes. Some very promising youngstock, with a smart, upstanding BT taking best goatling, closely followed by a quality BS - the best goatling line-up was a pleasure to judge. Best kid was a smart, black AN from a class of 4 - all black! Super stewarding all round, which always helps things run smoothly - very many thanks to all concerned with the organisation. Well done!
