JUDGES COMMENTS:

There have been goats at Penistone Show for as long as I can remember and for many years I exhibited there. It was always a day show and did not have BGS recognition until this year. Although the entry was small all animals were turned out well and a credit to their owners. What was lacking in quantity was more than made up for in quality with best in show Ardross Honey and reserve Lyncol Tweed were very worthy winners - both good examples of their breeds and milking well. The show was well run and I wish them every success in future years.
