Judges Comments:

A lovely show in very picturesque setting. An undeserved low entry, but fortunately no absentees when the weather could easily have deterred exhibitors. Although numbers were low the overall quality was high and there were some excellent yields. BIS was the AOV First Kidder Charnocks Bronmead. She is running through with a lovely udder, very good yield and an excellent length and topline. RBIS was the BT First Kidder Charnocks Bronermione who also has a very well attached udder, is very productive but is more compact than her stablemate.

Thameside Ceira stood out amongst the goatlings and is rangy animal full of quality.

Best of the kids were two promising BT's Charnocks Bronelker and Charnocks Broncherie.
