### **Judges Comments:**

A traditional one day agricultural show held in the lovely old country town of Oakham. A reasonable entry of milkers were comfortably housed in a cosy looking marquee and there were some excellent morning milk yields. Well done and thank you to those who keep the flag of goat showing flying. Teion Meika is a promising lengthy BS 1st kidder and was preferred on udder conformation over Lyncol Tweed, a smart BA shown in excellent condition and bloom running through. Hetherton Koredanel stood out in a rather small muster of young stock.
