### Judges Comments:

A very good entry, which included English, Boer, Pygmy and Angora goats, made for a long but pleasurable day. The two AOV 1<sup>st</sup> kidders took centre stage. Both milked well, and there was little between them: the smaller and more refined Guilden Elma just edging it over the rangier Capitol Freja. Still, it was close and had they been British Saanens, where size should be a consideration, I might have been tempted to turn them around. All my stewards were excellent, but a special mention for Gordon Smith, who does such a good job pulling it all together
