### **Judges Comments:**

A shame that there were so few exhibitors but what was lacking numerically was counterbalanced by some very good animals. Luckily there was plenty of room to show inside as it rained the whole day but in the ten minutes it wasn't raining we managed the IP outside. I loved the line and length of Ardross Klotho and I look forward to seeing her next year fully matured. Dalestone Britney just showing her age made her runner-up. A very nice, well-run show and venue worthy of more support.
