Judges Comments:

Overall a good standard of milkers present with some excellent yields for early September. Acton Replica, a first kidder running through for the second year, with an am yield of 3.4kg took top honours over the very promising Chatterbox Mimosa – both lovely examples of their breed. Some extremely lovely goatlings, hopefully boding well for the future, headed by Jackindabox Kissmenot and Gallant Magpie. Only five female kids present with the Jackindabox ANs taking top spots.
