## **Judge's Comments:**

An extremely well run dairy goat section with excellent stewarding. Quality animals on display but could have done with a larger entry. Best in Show went to an extremely attractive British Toggenburg first kidder running through – Anjo Carmel. She is milking very well and possesses a beautifully attached and shapely udder. Reserve went to a lovely pure Saanen, Wedgewood Firefly, who also has an excellent udder and is milking well. Best and reserve goatlings were from the Monach herd and shown in lovely condition as were best and reserve best kids.
