Judge's Comments:

Although it would have been nice to see more males, I suppose not a bad entry as male goats go. Leatland Kinghal is a very smart buckling showing good breed type and size. The reserve Ashdene Mrmin I particularly liked and I really wanted to give him best male, good and solid, nice and wide front and back, everything I liked about him but unfortunately far too small for a BS. Generally all males of good standard.

Kinghal is sire of the best kid and reserve best female Leatland Honeyroyal. A super kid with good length and style. Best Female, the goatling Nightshaze Poshtottie showing good size and breed type. A show for really good BS's.
