Judge's Comments:

What a shame the number entered were so low. However, the two adult males present were both of good quality, with the BT male having greater maturity over the AN on the day. All males were in good "showing" condition, thank you.

Judges Comments:

Nice to have a good number of high quality entries, helped by the AN's having a regional show the day before. My BIS went to a BT that milked extremely well and not only milked, but had all the good looks too! My reserve BIS was a BT running through, milking well and had great condition. I was pleased to see a beautiful GG also milking well, with a nice shaped and well attached udder. Definitely worth the miles travelled to judge. Well done all.
