Judge's Comments:

Good to see the Treleths are still going with the super example of a Toggenburg in Treleth Derryn.

Both Toggenburg milkers were of high standard and milking reasonably for first kidders running through. They were split in the IP by a nice Alpine milking very well, 3.95Kg am. The Togg. goatling daughter of the second milker being pipped by a very promising BS, for best goatling. 2 stylish kids took best and reserve, looking forward to seeing them develop.

A shame a lot of absentee's, mainly from one owner (hope all is Ok) at one of the best Shows in the country, with the goat section run by some of the best.

Special mention for Junior exhibitor Lily Martin who worked so hard all day from milkers to kids and always looked so serious in what she was doing.
