Judge's Comments:

I was honoured to be invited to judge the Royal Highland show and was delighted to see so many quality animals of CC standard at one show! The first 6 in the IP were of this calibre in my opinion, with others, if they had more milk would be up there also!

Guilden Elma reigned supreme, a stunning example of our UK show goats, that excelled in conformation and in top condition, reserve was a very attractive 6-year-old British Saanen that was running through for the second year, milking well. Excellent condition, with an extremely well attached udder. She was closely followed by a very heavy milking and sound British Toggenburg, that just lacked the bloom and presence of two in front. Guilden Treacle also really caught my eye as did Ballingall Tasha, both needing a shade more milk to be able to push themselves up the IP.

All in all a great show, in every aspect. Nice also to see English, Boer and Pygmy goats at this event. Well done all.
