### Judge's Comments:

A very wet day in Cornwall! Fortunately the marquee was large enough to provide indoor rings for both the dairy and pygmy goats, albeit with a stream along one side.

BIS was the Toggenburg first kidder running through, Treleth Derryn. She is an excellent example of the breed and is a great tribute to the expertise and devotion to the breed of her late owner Bob Vickery. RBIS was the BT Cornpitts Suiza, who is a very sound animal with a good udder and yield.

Best of the goatlings were the very striking BS Nightshaze Poshtottie and the AN Boscadjack Hawthorn. Of the kids I particularly liked the BT Nightshaze Daphne and the AOV Gallant Lainey.

My thanks go to the stewards who ran the show very well in difficult conditions and to the exhibitors who turned their animals out in excellent condition.
