Judge's Comments:

Anjo Carmel is a lovely BT. True to breed standard and milking well (RT). Reserve an arrogant AN first kidder, Marshvalley Elaria, "a notice me" goat of very good type needing to mature further, as was the best goatling, also a stable mate Nubian, Marshvalley Frostino.

The BA classes were well supported with animals throughout of excellent black and whites. Two of these goats milked very well and a couple of first kidders here are the ones for next year and once kidded again will progress up the line. My best kid Ebreywoods Kedda is a smart BA kid of quality. Youngstock classes were lean in exhibits, zero BTs and no BS kids. Not a single "Royal" Golden Guernsey present at the show!

A super show to judge with a good team of stewards well versed in protocol.

I was admirably supported by a probationer judge, who has personality, knowledge and judging skills, which in my experienced option, qualify him to officiate solo in the very near future.
