## **Judge's Comments:**

A clean sweep for the Treval herd at this traditional agricultural show. While the show was not supported by large numbers of goats, the show and the stewards worked very hard to put on a well-run goat section, for which they deserve much credit. Stewards and exhibitors alike worked together to ensure the smooth running of the show and that there were sufficient handlers for the larger classes. Well done and thank you to Irene McCreath and her team.

Treval Apple, my choice for Best In Show, is a very attractive British Saanen goat, shown in top condition with a super morning yield of 3.00kgs. Her stablemate, Treval Alison, was my choice for reserve. Again in top condition and with plenty of milk, she was pipped by her stablemate on udder attachment and teat placement.

In the youngstock classes, Treval Asha impressed with her elegance and strong back end – she was an easy choice for best goatling. Treval Darcy, my choice for best kid, shone on the day, displaying her excellent breed type, condition and conformation.

It was interesting to judge a number of English and Old English goats alongside their more popular dairy counterparts.
