### **Judge's Comments:**

With a combined total of only 19 animals present in both male and female sections of the show, competition really was never justified in any of the classes. There were just four exhibitors with over 50% of total entries coming from one herd. Despite these observations the goats in all classes were well presented and the show well run by the NDGS. Best male exhibit a good type black (dare I write this!) Anglo Nubian Marshvalley Eragon sound in all departments and the reserve a nice top line, clean whites, BT Treflor Beautambo sound but needing (like myself) a bit more height I thought. Best goatling, a BT Treval Amani in lovely condition with a good size and type AN Marshvalley Frostino reserve. The buckling Lovesome Angus is too steep to tail for my liking but the male kid Micean Anthony like his stable mate buckling had good bone and was sound in his pasterns, front end and hocks. Thank you to the exhibitors who supported the show and to Val Wood and Trevor Maddison for your time in running it.
