Judge's Comments:

A warm and sunny day in Northern Ireland saw a modest but good quality entry at the Balmoral Show this year. The first kidder, Boghill Dakota, was an easy choice for best milker. Her impressive 6.25kg of milk running through, coupled with her bone, size, stature and well attached udder gave her the edge of the reserve, Boghill Luna. Luna's yield of 8.5kg was also very commendable, but she lacked the maturity of Dakota on the day. In the youngstock classes, Boghill Madison showed great promise. Her length and elegance, combined with her superb condition so early in the season, made her a very worthy winner. Of the very few kids present, Boghill Inky and Moneyrea Caitlin were both well grown and in good condition, with Inky being preferred on length.
