Judge's Comments:

First 3 in IP all 5 years old wearing extremely well for age and milking really well too. Pity not more milkers present as they deserved to be at the top whatever the number present, they were worth far more than just the best of a small group. Loved the length and style of T. Calanthia 4.65 am, just had the slight edge over C. Bronember 2.45 am RT. L. Tweed not quite up there style and condition wise of the other two but what would you expect with a fantastic yield of 5.60 am. Some top class youngstock 2 well developed goatlings of good dairy type, the reserve (BS) showing too much pure Saanen type. The kids 2 BT and top 2 BS nothing to choose between the 4, but had to come to a decision, tough in classes and for best kid. Both pairs sisters and in over 50 years I've never seen full sisters so close on quality.
