### Judge's Comments:

It was a pleasure to conclude my judging career at the local Wayland Show, where milking goats had returned after an absence of 45 years. Despite numbers being a fraction of the heady days of 1966, when 171 goats were entered, and the list of exhibitors included many of the leading luminaries of the goat world, there were some very good goats present. Two Wedgewood black and white milkers headed my line-up: Vorsha, a large, impressive and very showy BA, milking exceptionally well, followed by her stable mate, the pretty AOV 1st kidder Tiberia. I also had some nice youngstock to appraise, including two lovely Prastens GG kids, whom I made my best and reserve best kids. Thanks to all the stewards and the NDGC for their efforts in getting the show back to Wayland. Finally, I would like to extend a very personal thank you for the presentation made to me at the end of my judging to mark my retirement: it was a lovely way to finish 26 years as a licensed BGS judge.
