Judge's Comments:

A disappointingly small entry for this beautiful agricultural show. However, the goats that were present were of a very high standard and milk yields were incredibly high. When lined up for Best in Show my line-up looked like one from the British Alpine Breed Show! I found it extremely heart-warming to judge so many good British Alpine goats all at one show. The breed has certainly risen from the ashes, and I was in my element!

Wedgewood Vorsha is a large upstanding British Alpine, milking extremely well and fully deserved the CC. Her daughter, Wedgewood Valkea, is also milking well and was a worthy reserve Best in Show. Special mention also to Swanford Tswizzle, a first kidder with a superb udder.

Best and reserve best goatlings from the Ebreywoods herd of British Alpines and very hard to separate.

Finally, although withdrawn from inspection, I must mention the incredible yield from Lyncol Tweed.
