### Judge's Comments:

A very small entry of males headed by the very worthy Teion Tohn. In superb condition, well grown and constructed he was very worthy of the CC. I particularly liked his length, depth and spring of rib. The Anglo-Nubian, Teion Aegon has the size, stature and type of his breed, but still needs to change his coat. The buckling, Ashdene Mango, shows much promise.

**Judges Comments:**

The long drive to Norwich was made very worthwhile to see some top-quality goats with some exceptional yields. The Wedgewood, Mineshop and Monach herds were to the fore at this early show.

My selection for Best Milker was the British Alpine Wedgewood Astonia, who I preferred for her range and scope over her stablemate Wedgewood Valkea. Both goats were in superb condition and plenty of milk, with Valkea producing 5.65kgs in the morning, running through. Other notable morning yields included the kidded goatling, Mineshop Dulcie with an AM yield of 3.35kg and Monach Collieflour with 4.10kgs. Other milkers that are worthy of note are the British Saanen, Mineshop Duena and the Anglo-Nubians Mineshop Bakari and Mineshop Aeva, Duena, in particular, having a superbly attached and shaped udder.

In the goatling classes, the Toggenburg Nightshaze Della was an easy choice for best goatling. Shown in excellent condition, she has the type of a very typical Toggenburg and is full of quality.

In the kid classes, the English goats Shiranna Beauty and Shiranna Belle were shown confidently by their young handlers
