## **Judge's Comments:**

BIS Boghill Luna is a wonderful example of a dairy goat. Lovely long neck, flowing into fine shoulders. Perfect topline, wide gently sloping rump with strong legs and pasterns. Soft well-attached udder with excellent teat placement and size. Gave 6.05kg as a first kidder running through. Turned out to perfect.

Res BIS Boghill Dakota another heavy milker AOV again in wonderful condition so early in the year.
