Judge's Comments:

After a long drive it was made worth it to see Gorsefield Mystletoe, one of the nicest Toggs I have had the privilege to judge. She is a 1st kidder full of quality, size, length and a beautiful udder which just could have done with a little more milk in it. Lillysfarm presenting me with some beautifully turned out youngstock and taking most of the top places, I wish them well for the future.
