Judge's Comments:

Never have I placed a 9 year old milker top of the IP and wonder if it is a first for recognised shows. Dalestone Britney should have been given her dotage, presented immaculately and twice running through. The RBIS a BA type AOV has a nice udder, good length, needs to mature further. BT milkers disappointing with the exception of a beautiful first kidder Treval Yarro who needs to produce what she is bred for. This herd has very promising youngstock.

Thanks to Val and Trevor for their work in running this section and to my experienced team of stewards.
