Judge's Comments:

This show very much resembled a BT breed show. Best in show Charnocks Bronmyrtle a brown and white AOV took top honours. She is a big rangy 1st kidder, in excellent condition, who carries her milk well and what a yield with 4.9kg in the morning. Following on were two Charnock BTs (difficult to split) but on the day I preferred the 1st kidder who has a lovely udder. Goatling and kid classes were better supported and the standard was high. Good to see some new faces with promising stock.
