Judge's Comments:

Nicely run show and good atmosphere. It was nice to have reasonable numbers present on the day, although the heat was a challenge. My BIS was a rangy BT who was running through for the second year very well and had super condition, as did my Reserve, a black and white AOV with a super udder. The youngstock all looked promising, headed by a quality Toggenburg of great scope and promise. Well done to everyone.
