The "Hoveton Lilac" awarded to Topgold Magnolia.

Judge's Comments:

Hot!! An outstanding trio from the Wedgewood Herd, out on their own for size, substance, production and condition. It is remarkable that it is 100 years since the Didgemere Herd was reaching its zenith, and here we have a group of goats that are a modern day version of the type of goat that made the Didgemeres so famous, and has rarely been equalled since.
