BEST BUCKLING Ballingall Tam, **Res** n/f

BEST MALE KID Capitol Lysander, **Res** Capitol Linus,

Judge's Comments:

With only two male kids, one buckling and only one adult male there was disappointment.

The four were all sound and immaculately presented.

Lysander is more a dairy type male kid than his twin Linus but both are very sound and well reared.

The adult male Murdo a spectacular beast of great size and beyond doubt a CC winner and brother to Rogerian Morven the winner of the first kidder class earlier in the day.

Judge's Comments:

The AOV Linnavon Laelia has a beautiful spherical well attached udder as does the reserve Capitol Juliet. Similarly, teats and placements afford no opportunity for selecting one over the other. Both emerging now into summer bloom. I prefer the topline and length of Laelia to place her above Juliet despite the latter giving a little higher yield. Rogerian Morven milking very well udder and teats outmatched by the top two.

The support of exhibitors with English Goats in their classes is well acknowledged and their avid enthusiasm ought to steer them in the direction of executive discussion with the BGS as to their possible future as a Breed which they can other, than IR, section, register with us. Both goatling and kid classes were sadly low in numbers echoing future worries. All stock beautifully presented and a very cheerful band of exhibitors engaging also as stewards to run a most happy Scottish show.
