Judge's Comments:

BIS Ashdene Clarissa, a lovely well contructed and conditioned BT, combining breed type, size, udder and milk yield.

Clarissa was followed by her three stable mates all looking well and milking at least 3.00kg morning yield running through. Special mention of the Royal Golden Guernsey, Vicarshill Kira and the British Guernsey Goldmatt Grace, both had shapely udders with neat defined teats and were both good examples of their respective breeds. Well done to all.
